FREQUENTLY ASKED QUESTIONS

> Can I miss or swop sessions?

As we work experientially, it is impossible to replicate or catch up any missed sessions. The group works closely together, and a group member's absence is a loss for the group.

If you miss more than 2 sessions during both Modules 1 & 2, you WILL NOT be eligible for selection as a counsellor.

You WILL NOT be eligible to do the course if you will miss any of Sessions 1,2 and 3 for the Personal Growth part of the course.

If you choose the morning group and miss a session, you cannot make it up in the evening session. Also, once you choose in-person or online, you cannot change. You remain part of the small 6-9 person group for the duration of the course.

> Will I be forced to share?

We take great care to create a safe and appropriate space and while the greatest growth comes from fully engaging in the group no one is ever forced to participate. Trainees are encouraged to experiment with their own reactions and responses to others, as well as to learn better and more effective ways of communicating.

> I am seeing a psychiatrist/therapist, can I do the course?

YES. If you are currently in therapy or have recently completed psychotherapy or are receiving psychiatric treatment, please discuss your plans to do this course with your social worker/psychologist/ psychiatrist.

*When you apply, please enclose a letter of recommendation from them regarding your plans to participate.

> I am a recovering addict, can I do the course?

YES. If you have been "clean" for at least 2 years. If it has not been 2 years yet, we request you to please postpone doing the course until later.

*When you apply, please enclose a letter from your sponsor supporting it.

FREQUENTLY ASKED QUESTIONS

➤ **What certification do I get for completing the course?**

On completion of the Personal Growth and Internship phases of The LifeLine Course, you will receive a certificate which indicates that you have been trained as a LIFELINE LAY COUNSELLOR.

You may also request a Certificate after completion of the Personal Growth Phase, in case you do not continue onto the Internship.

➤ **Which professional body can I register with, after completing The LifeLine Course?**

Please note that this is **not a Professional** Degree. Qualifying as a professional counsellor requires a University Degree. This means that registration with a professional body is not an option at the moment.

However, we are exploring possible registration with other wellness support organisations.

➤ **What SAQA level does the course carry?**

The LifeLine course was initiated more than 50 years ago in order to train lay counsellors to be absorbed into LifeLine Johannesburg Organisation. Over a period of time, as it gained a reputation for being life changing, the course has been opened up to whoever wants to acquire counselling skills and subsequently to those on a journey of personal growth.

Thus, historically accreditation was not sought – The LifeLine course does not carry SAQA or CPD/CPU points and is not accredited by SETA

However, under current circumstances we are looking to get the course accredited in the near future.

Please note we are only able to provide references for Honours and Masters psychology applications once you have completed our intern programme and have been an active counsellor at LifeLine Johannesburg for a minimum of one year.

AUGUST 2024 THE LIFELINE COURSE

COURSE PAYMENT

Why do I have to pay for a course when I want to volunteer?

- The LifeLine Course is a costly and resource intensive course to facilitate. We require the funds to run the course successfully. Course is priced at a competitive rate compared to other personal growth and counselling skills courses.
- LifeLine is a Public Benefit Organisation an NPO (Non-Profit Organisation) and a NGO (Non-Governmental Organisation). Since we do not get a subsidy from Government to keep our service to the public going, we need to raise our own funds. One of the ways in which we do this, is by running this course.

I have changed my mind about doing the course. Can I get a refund?

- We do not refund any part of the course fee if you cancel whilst the course is running, because you have taken a place that someone else could fill.
- If you cancel the course before it starts, we only refund your payment if we can fill your place.

When do I pay to secure my place?

- Once you have fully read, filled in and signed the application form, you will be invited to attend an info session, followed by a brief one-on-one session. After that, you will be required to pay the registration fee followed by the course fee on the stipulated dates.

KINDLY NOTE THAT YOU MAY **NOT PAY FOR THE COURSE BEFORE ATTENDING AN INFO SESSION**
