500 | THE LIFELINE COURSE

Start the journey to become a person-centered Lay Counsellor

Duration: 22 sessions, 3.5/4h per session
+ approx. 10h of Extra Activities

42hrs

Module 1 - Self Growth

What: Explore Self-concept and how the Self relates – as you are guided to go deeper and discover ways of navigating trust, acceptance, empathy, anger, loss and conflict that are woven into your everyday interactions with the world around.

How: Discover some pivotal ways of conceptualising the Self and embodying that learning within an experiential framework – Drawing, Writing, Walking, Talking and Listening. This process happens while being safely held within a group, as you also learn to hold space for the other.

Duration: 12 Sessions, 3.5/4h per session

FREQUENTLY ASKED QUESTIONS

> Can I miss or swop sessions?

As we work experientially, it is impossible to replicate or catch up any missed sessions. The group works closely together and a group member's absence is a loss for the group.

If you miss more than 7 hours (2 sessions or parts thereof) in both Modules 1 & 2, you WILL NOT be eligible for selection for the Internship Programme.

You WILL NOT be eligible to do the course if you will miss any of Sessions 1, 2 and 3 of the Module 1 Self Growth part of the course.

If you choose the morning group and miss a session, you cannot make it up in the evening session. Also, once you choose in-person or online, you cannot change. You remain part of the small 6–8 person group for the entire duration of the course.

> Will I be forced to share?

We take great care to create a safe and appropriate space and while the greatest growth comes from fully engaging in the group no one is ever forced to participate. Trainees are encouraged to experiment with their own reactions and responses to others, as well as to learn better and more effective ways of communicating.

> I am seeing a psychiatrist/therapist, can I do the course?

YES. If you are currently in therapy or have recently completed psychotherapy or are receiving psychiatric treatment, please discuss your plans to do this course with your therapist/psychologist/psychiatrist.

*NB: When you apply, please enclose a letter of recommendation from them regarding your plans to participate.

> I am a recovering addict, can I do the course?

YES. If you have been "clean" for at least 2 years. If it has not been 2 years yet, we request you to please postpone doing the course until later.

*NB: When you apply, please enclose a letter from your Sponsor supporting it.

FREQUENTLY ASKED QUESTIONS

➤ What certification do I get for completing the course?

On successful completion of the 100 Self Growth, 200 Foundation in Counselling and 600 Internship Programme phases of The LifeLine Course, you will receive a certificate which indicates that you have been trained as a LIFELINE LAY COUNSELLOR.

You may also request a certificate after completing the 100 Self Growth module in case you do not continue on to the 200 Foundation in Counselling module.

➤ Which professional body can I register with, after completing The LifeLine Course?

Please note that this is **not a Professional** Degree. Qualifying as a professional counsellor requires a University Degree. This means that registration with a professional body is not an option at the moment.

However, we are exploring possible registration with other wellness support organisations.

➤ What SAQA level does the course carry?

The LifeLine course was initiated more than 50 years ago in order to train Lay Counsellors to be absorbed into the LifeLine Johannesburg Organisation. Over a period of time, as it gained a reputation for being life changing, the course has been opened up to whoever wants to acquire counselling skills and subsequently to those on a journey of personal growth.

Thus, historically accreditation was not sought – The LifeLine course does not carry SAQA or CPD/CPU points and is not accredited by SETA

However, we are looking to get the course accredited in the future.

Please note that we are only able to provide references for Honours and Masters Psychology applications once you have completed our 600 Internship Programme and have been an active Counsellor at LifeLine Johannesburg for a minimum of one year. This means counselling for a minimum of 5 hours per month and attending a minimum of 8 Supervision Group sessions during the year.

COURSE PAYMENT

Why do I have to pay for a course when I want to volunteer?

- The LifeLine Course is a costly and resource intensive course to facilitate. We require the funds to run the course successfully. The Course is priced at a competitive rate compared to other personal growth and counselling skills courses.
- LifeLine is a Public Benefit Organisation, an NPO (Non-Profit Organisation) and a NGO (Non-Governmental Organisation). Since we do not get a subsidy from Government to provide our service to the public, we need to raise our own funds. One of the ways in which we do this, is by running this course.

I have changed my mind about doing the course. Can I get a refund?

- We do not refund any part of the course fee if you cancel whilst the course is running, because you have taken a place that someone else could have filled.
- If you cancel the course before it starts, we only refund your payment if we can fill your place with another person. The R500 Registration Fee, where applicable, is non-refundable.

When do I pay to secure my place?

- Once you have fully read, filled in and signed the application form, you will be invited to attend an Intro Session, followed by a brief one-on-one session. After that, acceptance of your application will be confirmed and you will be required to pay the Registration Fee, where applicable, followed by the course fee on the stipulated dates.

KINDLY NOTE THAT YOU MAY **NOT PAY FOR THE COURSE BEFORE ATTENDING AN INTRO SESSION AND RECEIVING FORMAL NOTIFICATION OF YOUR ACCEPTANCE FROM LIFELINE JOHANNESBURG**

KINDLY CONTACT US FOR ANY FURTHER INFORMATION NEEDED: course@lifelinejhb.org.za 011 728 1331
